### **USA-CO MISSION**

To serve as a support organization that provides outreach, scholarships, recruiting, mentoring, and networking opportunities to create and enhance partnerships with Veterans/DOD in our Mission Critical/ Data Center Community. Further, we will engage and educate the community about our industry and its goals through volunteer efforts, financial/resource (trade) donations, and other touches related to a focus on Veterans.

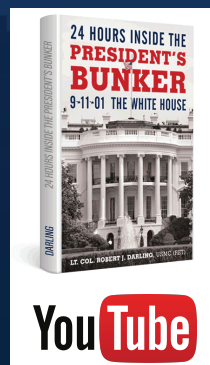

### **YOUR FELLOW VETERAN SPEAKERS**

**Lieutenant Colonel Robert J. Darling, USMC (Ret)**

At the urging of family, friends, and colleagues to share his witness to American history, Bob wrote his memoir, "24 Hours Inside the President's Bunker, 9/11/01: The White House." He continues to share his personal experience and knowledge of crisis leadership with military, corporate, and university audiences nationwide.

**Mr. Don Freese**

A former Army Captain in Infantry/Intelligence/Logistics, Don now serves as Senior Vice President and Chief Information Security Officer with the critical responsibility of safeguarding Digital Realty and its customers. He has more than 30 years of risk management operations experience, including specialized military and federal law enforcement assignments.
